

It's time to get Move'n!!

The Westlake Athletic Booster Club (WAC) is a community based 501c organization founded in 2004. Our charter is to provide supplemental financial support above & beyond the school district & athletic department for Modified, Junior Varsity & Varsity sports. We raise funds for these sports via memberships, fundraising events & donations.

By supporting this important organization, you are helping build a better foundation for our current athletes as well as help pave the way for our children who will be future Westlake athletes. If your child is involved in a sport's program on any level, WAC needs your support.

In this past year school year alone (2015/2016) we provided over \$35,000 in funding for the following:

All Sports banners in the WHS gym

Homecoming lights & fireworks show

DJ for sporting events and Senior tribute nights

Batting cage for softball

There is so much that we can do, we just need your help.
